

7.1.12 Code of conduct handbook exists for students, teachers, governing body, administration including principal/ official and support staff.

YES

Answer:

The institution is affiliated to the SP Pune University and regulated by the regulatory authority namely AICTE, DTE, Govt. of Maharashtra. Therefore, the institution follows the code of conduct as prescribed by the SP Pune University for students, teachers, governing body and administration. The institution is monitored for its code of conduct through the Local Inquiry Committee in a fixed time span in the core academic area and the report of the LIC with compliance, University renew its affiliation in addition to this, the AICTE, DTE Govt. of Maharashtra as regulatory bodies statutorily monitor the code of conduct, Governing bodies, administration and the Director of the institute. The institution is under the statutory framework of code of conduct for academic and administrative setup of the institution. The institution is under external parent regulatory bodies namely SP Pune University, AICTE and DTE government of Maharashtra. These regulatory bodies have given the statutory framework with coverage of code of conduct for academic administration, governing body and director. It is mandatory for the institution to accept, follow, practice and comply the prescribed code of conduct and the regulatory framework.
