Assessment @ IIMHRD

To ensure transparency, efficiency, and timeliness in dealing with examination-related grievances, IIMHRD has a well-established and time bound mechanism for Examination and Evaluation. Examination Cell is in place for smooth conduction of internal and external examinations. At the beginning of the semester, faculty members inform students about the adopted CCE methods for assessment. Any grievances related to the internal exams are brought to the notice of the concerned teacher and get clarified. External exams are conducted by the University and Institute ensures of arranging the exam in smooth and fair manner with strict vigilance. The evaluation of the university exams held in Centralized Assessment centre as assigned by the affiliating university.

Mechanism to conduct Internal Assessment

IIMHRD is affiliated to Pune University and so follows a structured pattern for internal assessment given by the affiliating university. The Comprehensive Concurrent Evaluation designed by SPPU with linkages of each CCE with COs. On those guidelines Institute committee prepares rubrics and makes effective use of the flexibility permitted by SPPU for opting the required CCE approach. Rubrics are designed for respective CCE and assessment strategies.

Each faculty does the internal assessment by opting 3 or 5 CCE components in form of Assignment, class test, presentation, Quiz or discussion forum. Term end exam is conducted by the institute at the end of each semester. Questions and assignments are designed by faculty members according to the bloom's taxonomy.

Mechanism of External Assessment

IIMHRD is affiliated to the Pune University. Term-end external assessment is done by university. University sets the Question paper and exam time table. Institute receives the question paper through Institute's exam mail half an hour before the scheduled paper. All answer sheets are dispatched to the Centralized Assessment Centre as allocated by university. University declares the result on university portal.

The grievance is resolved in the following manner:

a) **Departmental Level**: The concurrent evaluation is carried out by faculty regarding theory lectures, labs, assignments, unit tests. The internal marks are allotted based on set Internal Marks policy. Policy is well intimated to students and displayed on the notice board. Any discrepancies regarding the internal marks are discussed with faculty and Departmental head.

b) **At Institute Level** : IIMHRD has appointed an examination officer and an Internal Senior Supervisor who ensures the smooth conduction of University examinations as directed by University. If students are facing any problems, they are solved by the CEO. University

related grievances like hall-ticket/marksheets corrections, are forwarded to University for corrective measures.
