REPORT ON “ CAREER COUNSELLING SESSION ON PSYCHOMETRIC TEST “

SPEAKER – Dr. SHRADDHA KULKARNI

Career counseling plays a vital role in guiding students towards a successful career path. With the growing demand for stable and rewarding jobs in the banking sector, has become a significant gateway for students aspiring to enter the field. This report details a career counseling session conducted at International institution of management and Human Resource Development aimed at informing students about job opportunities in the banking sector through IBPS.

Objectives of the Counseling Session:-

- To provide comprehensive information about career opportunities in the banking sector.
- To familiarize students with the IBPS examination process.
- To offer guidance on preparation strategies and resources.
- To address students' queries and concerns regarding a career in banking.

The session received positive feedback from participants, who appreciated the clarity and relevance of the information provided. Students expressed interest in more such sessions focused on different career paths within the financial sector.

REPORT ON “ CAREER COUNSELLING SESSION BY HOD”

Speaker – Pooja Karekar

International Institution of Management and Human Resource Development conduct a career counseling session was organized by the Heads of Departments in our college. This session was specifically designed to guide students across various departments on their career paths, helping them make informed decisions about their future. Provided valuable insights based on their vast experience and knowledge of the Banking industry, aiming to equip students with the necessary tools to succeed in their chosen fields.

Objectives of the Session

The session had several key objectives:

- To provide students with a clear understanding of the different career opportunities available in their respective fields.
- To offer guidance on the skills and qualifications required for various career paths.
- To discuss current job market trends and future employment prospects.
- To advise students on how to effectively prepare for the job market, including resume writing, interview techniques, and networking strategies.

The career counseling session was well-received by the students. It provided them with a wealth of information and actionable advice that will help them in their career planning. The session succeeded in its goal of guiding students towards making informed decisions about their future careers. However, there is room for improvement, particularly in terms of providing more in-depth information and personalized guidance.

REPORT ON “ INTERVIEW PREPARATION BY Prof. MANISH MUNDADA “

Speaker – Prof. MANISH MUNDADA

The Career Counseling Cell of International Institution of Management Resource Development organized a career counseling session for students interested in exploring their career options. The session was conducted by Prof. Manish R. Mundada sir, who has extensive experience. The primary objective of the session was to guide students on how to navigate the complexities of choosing a career path and to provide insights into various career opportunities.

Agenda of the Session

The session covered the following key topics:

- Understanding Career Choices
- Exploring Career Opportunities
- Skills Development
- Job Market Trends
- Interview and Resume Preparation

The career counseling session by Prof. Manish Mundada sir was well-received by the students, with many expressing increased clarity and confidence in their career choices. The session was a valuable opportunity for students to gain insights into the complexities of career planning and the various options available to them. Feedback indicates that future sessions could benefit from more interactive elements and extended time for questions.

REPORT ON “ CAREER COUNSELLING SESSION BY Prof. NEHA ARRRAWAL “

Speaker – Prof. Neha Agrawal

International Institution of management and Human Resource Development organize a Career counseling session. It plays a crucial role in guiding individuals towards suitable career paths. In the banking sector. This report aims to provide insights into career opportunities in the banking sector.

The level of student involvement and motivation in career counseling sessions, such as those held by Neha Mam, can vary based on several factors:

1. Content Relevance
2. Engagement Style
3. Student Awareness
4. Environment

The career counseling session conducted by Neha Mam received overwhelmingly positive feedback from students. The session was well-received for its relevance, engaging presentation style, and motivational impact. While students were largely satisfied, they also provided constructive suggestions for further enhancing future sessions.

REPORT

Career Guidance Session: Jobs in PSU Sector for MBA Graduates

Date: 3 August 2020

Introduction

A career guidance session focusing on job opportunities in the Public Sector Undertaking (PSU) sector for MBA graduates was conducted by the Head of Corporate Relations and the Officer of Placement at IIMHRD. The session aimed to provide valuable insights into the PSU job market, application processes, and the skills required for securing positions within this sector.

Overview of PSUs

The session began with an overview of Public Sector Undertakings (PSUs), explaining their role in the Indian economy. PSUs are government-owned corporations or state-owned enterprises that are involved in various industries such as energy, mining, telecommunications, and finance. They are known for providing stable employment and attractive benefits. The importance of PSUs in national development and their contribution to the economy were highlighted.

Career Opportunities in PSUs

The presenters detailed the range of career opportunities available within PSUs for MBA graduates. Key areas for MBA graduates include management roles in human resources, finance, marketing, and operations. The session underscored that PSUs seek candidates with a strong academic background, leadership skills, and the ability to work in a team. The presenters discussed specific roles such as Management Trainees, Assistant

Managers, and Executives, and elaborated on the responsibilities and growth potential associated with these positions.

Application Process

The application process for PSU jobs was thoroughly explained. The session covered various stages, including the submission of online applications, participation in competitive exams, and personal interviews. Emphasis was placed on the importance of preparing for entrance exams like the GATE (Graduate Aptitude Test in Engineering) and the PSU-specific tests. The presenters also provided tips on how to effectively prepare for these exams and the types of questions that are typically asked.

Skills and Competencies

To succeed in the PSU sector, certain skills and competencies are crucial. The session highlighted the need for strong analytical abilities, problem-solving skills, and effective communication. Additionally, knowledge of relevant industry trends and technological advancements can give candidates an edge. The importance of being adaptable and having a proactive approach was also emphasized.

Recruitment Trends

The presenters shared insights into the current recruitment trends in the PSU sector. There has been a growing emphasis on digital skills and technological proficiency due to the increasing digitization of PSU operations. The session also discussed the competitive nature of PSU job recruitment and the need for candidates to stay updated with industry developments.

Conclusion

In conclusion, the career guidance session provided a comprehensive overview of job opportunities in the PSU sector for MBA graduates. It outlined the various roles available, the application process, and the essential skills required. The insights shared by the Head of Corporate Relations and the Officer of Placement were invaluable for students aspiring to build a career in the PSU sector. The session not only equipped students with the knowledge needed to navigate the PSU job market but also motivated them to pursue these opportunities with a well-prepared strategy.

Career Counselling Session on PSU Sector Jobs for MBA Graduates

Date: 23 August 2020

Introduction

The SBES organized a career counselling session focused on job opportunities in Public Sector Undertakings (PSUs) for MBA graduates. The session aimed to provide students with essential insights into the career paths, recruitment processes, and benefits associated with working in PSUs, offering a valuable perspective on careers in government-owned corporations.

Objective of the Session

The primary objectives were:

- To introduce students to the diverse job opportunities available in the PSU sector.
- To clarify the recruitment process and eligibility criteria specific to MBA graduates.
- To highlight the long-term career prospects, stability, and benefits of working in the PSU sector.
- To offer guidance on preparing for PSU recruitment exams and interviews.

Session Highlights

1. Overview of PSUs:

The session began with a discussion on the role of PSUs in the Indian economy. PSUs, categorized into Maharatnas, Navratnas, and Miniratnas, offer varied roles in management, finance, HR, and marketing for MBA graduates. These organizations are crucial in sectors like energy, manufacturing, and finance.

2. Job Roles and Recruitment Process:

General Management: Opportunities in administration and operations.

Finance: Roles in financial planning and auditing.

HR: Managing recruitment, training, and employee relations.

Marketing: Involvement in corporate communications and marketing strategies.

The recruitment process was explained in detail, covering eligibility criteria, the importance of competitive exams like GATE and CAT, and the selection stages including written tests, group discussions, and interviews.

3. Preparation Strategies:

Students were advised to focus on core subjects, practice mock tests, and stay updated on current affairs. The importance of interview preparation and participating in group discussions was emphasized to build confidence and improve performance during the selection process.

4. Benefits of Working in PSUs:

Key advantages discussed included job security, attractive salary packages, work-life balance, and well-defined career growth opportunities. The speaker also highlighted additional benefits like healthcare, pension schemes, and other social security benefits.

5. Challenges:

The session also touched on challenges such as bureaucratic procedures and limited lateral mobility within PSUs, helping students set realistic expectations.

Q&A Session

The interactive Q&A session allowed students to seek clarification on specific aspects of PSU recruitment and career prospects. Questions ranged from the relevance of specific exams for MBA graduates to aligning their specialization with PSU roles.

Conclusion

The session concluded with a vote of thanks from the placement officer, who encouraged students to explore PSU careers as a viable option. The placement team announced plans for future workshops and mock interviews to further support students in their career preparation.

Career Guiding Session Report: Jobs in PSU Sector for MBA Graduates

Date: 10 September 2020

Introduction

A career guiding session focusing on job opportunities in the Public Sector Undertaking (PSU) sector for MBA graduates was conducted by the Head of Department (HOD) of our college. The session was organized to provide insights into the potential career paths within PSUs and how MBA graduates can leverage their skills to excel in this sector.

Session Overview

The session began with an introduction to the significance of PSUs in India's economic landscape. The HOD elaborated on the pivotal role these organizations play in driving national growth, infrastructure development, and service delivery. He highlighted that PSUs offer stable career opportunities with attractive benefits and a structured growth path.

Key Points Discussed

1. Overview of PSU Sector:

The HOD provided a comprehensive overview of the PSU sector, including its classification into Maharatna, Navratna, and Miniratna categories. Each category reflects the PSU's size, financial strength, and strategic importance. This classification influences the scale of operations and career opportunities available within these organizations.

2. Career Opportunities for MBA Graduates:

Emphasis was placed on the diverse roles that MBA graduates can pursue within PSUs. These roles include positions in finance, marketing, human

resources, operations, and strategic management. The HOD discussed how MBA graduates can contribute to the strategic decision-making processes, financial management, and operational efficiency of these organizations.

3. Selection Process and Eligibility Criteria:

The session covered the typical selection process for PSU jobs, which often includes written exams, group discussions, and interviews. The HOD provided detailed information on eligibility criteria, the importance of academic performance, and how candidates can prepare effectively for the selection process.

4. Skills and Competencies:

Key skills and competencies required for PSU roles were highlighted. These include analytical skills, leadership qualities, communication skills, and a strong understanding of the public sector's regulatory environment. The HOD emphasized the importance of continuous learning and staying updated with industry trends.

5. Preparation Strategies:

The HOD shared practical tips for preparing for PSU job roles. He recommended focusing on relevant subjects, practicing previous years' question papers, and developing a strong grasp of current affairs related to the public sector. Networking with professionals in the field and seeking mentorship were also advised as valuable strategies.

6. Career Progression and Benefits:

The session concluded with an overview of the career progression and benefits associated with PSU jobs. The HOD discussed the structured career paths, opportunities for skill development, and the job security

offered by PSUs. Additionally, he highlighted the attractive perks and benefits, including health insurance, retirement benefits, and allowances.

Conclusion

The career guiding session provided valuable insights into the opportunities available within the PSU sector for MBA graduates. The detailed information on career roles, selection processes, and preparation strategies will aid students in making informed career decisions. The HOD's expertise and guidance have equipped students with a clearer understanding of how to navigate the PSU job market and succeed in this sector.

Career Guidance Session: Jobs in PSU Sector for MBA Graduate

Date: 1 September

Introduction

A career guidance session focusing on job opportunities in the Public Sector Undertaking (PSU) sector for MBA graduates was conducted by the Head of Corporate Relations and the Officer of Placement at IIMHRD. The session aimed to provide valuable insights into the PSU job market, application processes, and the skills required for securing positions within this sector.

Overview of PSUs

The session began with an overview of Public Sector Undertakings (PSUs), explaining their role in the Indian economy. PSUs are government-owned corporations or state-owned enterprises that are involved in various industries such as energy, mining, telecommunications, and finance. They are known for providing stable employment and attractive benefits. The importance of PSUs in national development and their contribution to the economy were highlighted.

Career Opportunities in PSUs

The presenters detailed the range of career opportunities available within PSUs for MBA graduates. Key areas for MBA graduates include management roles in human resources, finance, marketing, and operations. The session underscored that PSUs seek candidates with a strong academic background, leadership skills, and the ability to work in a team. The presenters discussed specific roles such as Management Trainees, Assistant Managers, and Executives, and elaborated on the responsibilities and growth potential associated with these positions.

Application Process

The application process for PSU jobs was thoroughly explained. The session covered various stages, including the submission of online applications, participation in competitive exams, and personal interviews. Emphasis was placed on the importance of preparing for entrance exams like the GATE (Graduate Aptitude Test in Engineering) and the PSU-specific tests. The presenters also provided tips on how to effectively prepare for these exams and the types of questions that are typically asked.

Skills and Competencies

To succeed in the PSU sector, certain skills and competencies are crucial. The session highlighted the need for strong analytical abilities, problem-solving skills, and effective communication. Additionally, knowledge of relevant industry trends and technological advancements can give candidates an edge. The importance of being adaptable and having a proactive approach was also emphasized.

Recruitment Trends

The presenters shared insights into the current recruitment trends in the PSU sector. There has been a growing emphasis on digital skills and technological proficiency due to the increasing digitization of PSU operations. The session also discussed the competitive nature of PSU job recruitment and the need for candidates to stay updated with industry developments.

Conclusion

In conclusion, the career guidance session provided a comprehensive overview of job opportunities in the PSU sector for MBA graduates. It outlined the various roles available, the application process, and the essential skills required. The insights shared by the Head of Corporate Relations and the Officer of Placement were invaluable for students aspiring to build a career in the PSU sector. The session not only equipped students with the knowledge needed to navigate the PSU job market but also motivated them to pursue these opportunities with a well-prepared strategy.

REPORT on Career Guiding Session on Psychometric Testing

Date: 16 August 2020

Introduction

IIMHRD organized a career guiding session on psychometric testing, led by Dr. Shraddha Kulkarni, an expert in psychological assessment and career counselling. The session aimed to provide MBA students with a deeper understanding of psychometric tests, which are increasingly used by companies to assess candidates' suitability for various roles. Dr. Kulkarni shared valuable insights into the purpose, structure, and interpretation of these tests, helping students prepare effectively for this crucial component of the recruitment process.

Objective of the Session

The session had the following objectives:

- To introduce students to the concept and importance of psychometric testing in the recruitment process.
- To explain different types of psychometric tests, including personality assessments, aptitude tests, and behavioral evaluations.
- To offer practical tips on how to approach and perform well in these tests.
- To alleviate common anxieties and misconceptions about psychometric testing.

Session Highlights

1. Overview of Psychometric Testing:

Dr. Shraddha Kulkarni began by explaining what psychometric tests are and why they are used by employers. These tests, which measure cognitive abilities, personality traits, and work-related behaviors, provide employers with a standardized method to assess a candidate's potential fit for a role. Dr. Kulkarni emphasized that these tests are designed to be objective and predictive of job performance.

2. Types of Psychometric Tests:

The session covered the various types of psychometric tests that students might encounter during their job search:

- **Aptitude Tests:** These assess logical reasoning, numerical ability, and verbal skills. Dr. Kulkarni advised students to practice regularly to improve their speed and accuracy.

- **Personality Assessments:**Evaluate personality traits such as openness, conscientiousness, and emotional stability. Dr. Kulkarni highlighted the importance of honesty and self-awareness during these assessments, as they help employers gauge how a candidate might behave in a work environment.

- **Situational Judgment Tests (SJTs):**These present hypothetical, job-related scenarios to assess decision-making and problem-solving skills. Dr. Kulkarni shared examples and strategies for effectively approaching these scenarios.

3. Preparation Tips

Dr. Kulkarni offered practical advice for preparing for psychometric tests:

- **Practice and Familiarization:**She urged students to take practice tests to become familiar with the format and types of questions.

- **Time Management:**Efficient time management during the test is crucial. Dr. Kulkarni advised focusing on accuracy while avoiding spending too much time on any single question.

- **Staying Calm:**Remaining calm during the test is essential. Dr. Kulkarni suggested relaxation techniques, such as deep breathing, to manage test-related anxiety.

4. Interpreting Test Results

Dr. Kulkarni explained how employers use psychometric test results as part of a larger assessment process that includes interviews and other evaluations. She reassured students that results are interpreted in context, considering the overall fit for the role.

Interactive Q&A Session

The session concluded with an interactive Q&A segment where students inquired about specific tests, handling test-related anxiety, and interpreting their strengths and weaknesses based on test results. Dr. Kulkarni provided detailed responses, helping students gain confidence and clarity in facing psychometric assessments.

There has been a growing emphasis on digital skills and technological proficiency due to the increasing digitization of PSU operations. The session also discussed the competitive nature of PSU job recruitment and the need for candidates to stay updated with industry developments.

Conclusion

In conclusion, the career guidance session provided a comprehensive overview of job opportunities in the PSU sector for MBA graduates. It outlined the various roles available, the application process, and the essential skills required. The insights shared by the Head of Corporate Relations and the Officer of Placement were invaluable for students aspiring to build a career in the PSU sector. The session not only equipped students with the knowledge needed to navigate the PSU job market but also motivated them to pursue these opportunities with a well-prepared strategy.

REPORT

Career Guiding Session on Psychometric Testing

Date: 16 August 2020

Introduction

IIMHRD organized a career guiding session on psychometric testing, led by Dr. Shraddha Kulkarni, an expert in psychological assessment and career counselling. The session aimed to provide MBA students with a deeper understanding of psychometric tests, which are increasingly used by companies to assess candidates' suitability for various roles. Dr. Kulkarni shared valuable insights into the purpose, structure, and interpretation of these tests, helping students prepare effectively for this crucial component of the recruitment process.

DIRECTOR
IIMHRD (W)
PUNE

Objective of the Session

The session had the following objectives:

- To introduce students to the concept and importance of psychometric testing in the recruitment process.
- To explain different types of psychometric tests, including personality assessments, aptitude tests, and behavioral evaluations.
- To offer practical tips on how to approach and perform well in these tests.
- To alleviate common anxieties and misconceptions about psychometric testing.

Session Highlights

1. Overview of Psychometric Testing:

Dr. Shraddha Kulkarni began by explaining what psychometric tests are and why they are used by employers. These tests, which measure cognitive abilities, personality traits, and work-related behaviors, provide employers with a standardized method to assess a candidate's potential fit for a role. Dr. Kulkarni emphasized that these tests are designed to be objective and predictive of job performance.

2. Types of Psychometric Tests:

The session covered the various types of psychometric tests that students might encounter during their job search:

DIRECTOR
IIMHRD (W)
PUNE

- **Aptitude Tests:** These assess logical reasoning, numerical ability, and verbal skills. Dr. Kulkarni advised students to practice regularly to improve their speed and accuracy.
- **Personality Assessments:** Evaluate personality traits such as openness, conscientiousness, and emotional stability. Dr. Kulkarni highlighted the importance of honesty and self-awareness during these assessments, as they help employers gauge how a candidate might behave in a work environment.
- **Situational Judgment Tests (SJTs):** These present hypothetical, job-related scenarios to assess decision-making and problem-solving skills. Dr. Kulkarni shared examples and strategies for effectively approaching these scenarios.

3. Preparation Tips

Dr. Kulkarni offered practical advice for preparing for psychometric tests:

- **Practice and Familiarization:** She urged students to take practice tests to become familiar with the format and types of questions.
- **Time Management:** Efficient time management during the test is crucial. Dr. Kulkarni advised focusing on accuracy while avoiding spending too much time on any single question.
- **Staying Calm:** Remaining calm during the test is essential. Dr. Kulkarni suggested relaxation techniques, such as deep breathing, to manage test-related anxiety.

DIRECTOR
IIMHRD (W)
PUNE

4. Interpreting Test Results

Dr. Kulkarni explained how employers use psychometric test results as part of a larger assessment process that includes interviews and other evaluations. She reassured students that results are interpreted in context, considering the overall fit for the role.

Interactive Q&A Session

The session concluded with an interactive Q&A segment where students inquired about specific tests, handling test-related anxiety, and interpreting their strengths and weaknesses based on test results. Dr. Kulkarni provided detailed responses, helping students gain confidence and clarity in facing psychometric assessments.

Report on “ Career Counselling Session ”

Guest Speaker – Prof. Neha Agrawal

The career counselling session organised by IIMHRD(W) was designed to enhance students personal and professional image, a crucial component for their future career success. The session was led by Prof. Neha Agrawal, an experienced image consultant, and aimed to provide students with practical tool and insights for improving their overall presentation and professional image.

➤ Objectives of Career Counselling :

1. **Self-Assessment:** Help students understand their strengths, weaknesses, interests, and values through various assessments and discussions.
2. **Career Exploration:** Provide information about different career paths, job roles, and industries to broaden students' understanding of their options.

DIRECTOR
IIMHRD (W)
PUNE

3. **Goal Setting:** Assist students in setting realistic and achievable career goals based on their skills and interests.
4. **Skill Development:** Identify necessary skills and qualifications for chosen career paths and create a plan to acquire them.
5. **Decision-Making:** Guide students in making informed decisions about their educational and career choices.
6. **Networking:** Introduce students to resources, mentors, and networks that can support their career development.

Prof. Neha Agarwal Highlighted the following Student Benefits:

1. **Clarity and Direction:** Gain a clearer understanding of potential career paths and how to achieve their goals.
2. **Informed Decisions:** Make better educational and career choices based on a thorough exploration of options.
3. **Skill Awareness:** Identify key skills and competencies required for various careers and understand how to develop them.
4. **Confidence Boost:** Increase self-confidence by understanding their strengths and having a structured plan for their career.
5. **Actionable Plan:** Receive a personalized career plan with steps to follow, including educational requirements, skill development, and job search strategies.

➤ **Feedback:**

The session received positive feedback from students, who appreciated the practical advice and interactive approach. Many reported feeling better prepared to enter the professional world.

Psychometric tests are designed to measure various psychological attributes, including abilities, personality traits, and interests. They serve multiple objectives and offer several benefits to students. Here's a detailed look:

DIRECTOR
IIMHRD (W)
PUNE

Objectives of Psychometric Tests

1. **Assessment of Abilities:** These tests evaluate cognitive abilities such as verbal, numerical, and spatial reasoning. This helps in understanding a student's strengths and weaknesses.
2. **Personality Profiling:** They assess personality traits and characteristics. This can help in understanding how a student interacts with others, their stress levels, and their approach to problem-solving.
3. **Career Guidance:** Psychometric tests can provide insights into which careers might suit a student based on their interests, skills, and personality traits.
4. **Educational Planning:** By identifying areas where students excel or struggle, these tests help in tailoring educational strategies and interventions to better support learning.
5. **Mental Health Screening:** They can sometimes help in identifying psychological issues or concerns that may need further attention, such as anxiety or depression.

Dr Shraddha Kulkarni Highlighted The Following Benefits for Students

1. **Self-Awareness:** Students gain a better understanding of their strengths, weaknesses, and preferences, which can lead to improved self-confidence and self-esteem.
2. **Informed Decision-Making:** With insights from psychometric tests, students can make more informed choices about their academic and career paths.
3. **Personalized Learning:** The results can help educators tailor their teaching methods to suit individual learning styles and needs, potentially improving academic performance.

DIRECTOR
IIMHRD (W)
PUNE

4. **Enhanced Career Planning:** Understanding their aptitudes and interests helps students choose career paths that align with their natural abilities and passions.
5. **Improved Interpersonal Skills:** Insights into personality traits can help students develop better social skills and improve their interactions with peers and teachers.
6. **Stress Management:** Recognizing traits related to stress and coping mechanisms can aid in developing strategies to manage academic and personal stress effectively.
7. **Goal Setting:** By identifying personal and academic strengths, students can set more realistic and achievable goals, leading to greater motivation and focus.

Report on “ Career Counselling Session”

Speaker – Prof. Manish Mundada

Topic – Interview Preparation

The career counselling session organised by IIMHRD(W) was designed to enhance students personal and professional image, a crucial component for their future career success. The session on Interview Preparation was led by Prof. Manish Mundada, Founder President of **SAIBALAJI EDUCATION SOCIETY**. The session aimed to provide students with practical tool and insights for improving their overall presentation and professional image.

Overview

Interview preparation involves several steps to ensure that you are ready to perform well during the interview process. It typically includes researching the company, understanding the job role, practicing common interview questions, and preparing your own questions for the interviewer. This process helps you present yourself as a well-informed and capable candidate.

DIRECTOR
IIMHRD (W)
PUNE

Objective

The main objective of interview preparation is to enhance your confidence and ability to effectively communicate your skills, experiences, and fit for the role. It aims to:

1. Familiarize you with the company's mission, values, and culture.
2. Help you understand the job requirements and how your background aligns with them.
3. Equip you with answers to common interview questions and scenarios.
4. Enable you to ask insightful questions that demonstrate your interest and enthusiasm.

Benefit

1. **Increased Confidence:** Thorough preparation reduces anxiety and helps you approach the interview with greater self-assurance.
2. **Improved Performance:** By anticipating questions and practicing your responses, you can provide clearer, more articulate answers.
3. **Better Fit Assessment:** Preparation allows you to evaluate whether the company and role align with your career goals and values.
4. **Enhanced Professionalism:** Demonstrating that you have done your homework reflects positively on your dedication.

DIRECTOR
IIMHRD (W)
PUNE

Conclusion

Effective interview preparation is crucial for presenting yourself as a strong candidate. By researching the company, understanding the role, practicing responses, and preparing questions, you can improve your chances of making a positive impression. It not only boosts your confidence but also helps you assess if the position is a good fit for you.

“Career Counselling session”

Alumni Speakers- Ms.Sakshi Shinde, Ms.Tejaswini Karande, Ms.Rachita Gurung, Ms.Surbhi Bapat.

Topic- ‘Career Counselling Session.’

We had the privilege of hosting a career counselling session titled "Orientation Program for Competitive Exams," led by our distinguished alumni, [Ms.Sakshi Shinde, Ms.Tejaswini Karande, Ms.Rachita Gurung, Ms.Surbhi Bapat]. This session was designed to provide current students with valuable insights and strategies for navigating competitive exams effectively.

Key Highlights:

1. Alumni's Perspective:

- **Background:** [Ms.Sakshi Shinde, Ms.Tejaswini Shinde, Ms. Rachita Gurung, Ms.Surbhi Bapat], who has successfully navigated the importance of competitive exams in a student’s life, shared first-hand experiences and practical advice drawn from their own journey.
- **Value:** The alumni’s perspective provided a unique and relatable viewpoint, offering students an authentic understanding of the challenges and strategies involved in preparing for competitive exams.

DIRECTOR
IIMHRD (W)
PUNE

2. **Comprehensive Overview of Competitive Exams:**

- **Purpose:** The session aimed to familiarize students with various competitive exams and their implications for career development.
- **Activities:** Detailed explanations of different exams, their formats, and their significance. The alumni shared insights on choosing the right exam based on career goals.

3. **Effective Preparation Strategies:**

- **Purpose:** To equip students with proven strategies for effective exam preparation.
- **Activities:** The alumni shared personal study techniques, time management strategies, and tips for selecting study resources. They also discussed the importance of creating a structured study plan and staying motivated.

4. **Test-Taking Tips and Techniques:**

- **Purpose:** To help students develop skills for performing well under exam conditions.
- **Activities:** Advice on handling different types of questions, managing exam stress, and maintaining focus. The alumni provided practical tips for maximizing performance on test day.

5. **Utilizing Resources and Support Systems:**

- **Purpose:** To inform students about available resources and support.
- **Activities:** The alumni highlighted various resources, including coaching centers, online platforms, and study groups. They also shared recommendations for seeking mentorship and support throughout the preparation process.

DIRECTOR
IIMHRD (W)
PUNE

Benefits to Participants:

- **Invaluable Insights:** Students gained insights from an experienced alumnus who has successfully navigated competitive exams, providing a practical and motivational perspective.
- **Enhanced Preparation:** The session offered actionable strategies and tips that students can apply to their own preparation, improving their readiness and confidence.
- **Practical Advice:** Real-life examples and personal experiences shared by the alumni made the advice more relatable and effective.
- **Access to Resources:** Information on resources and support systems provided students with a clear path for seeking additional help and guidance.

Feedback:

The session was highly praised by participants for its practical advice and the valuable perspective shared by the alumni. Students appreciated the opportunity to learn from someone who has successfully gone through the process and found the session motivating and informative.

Speaker- Dr. Akanksha Taunk

Topic- 'Career Counselling Session on Placement Grooming.'

The career counselling session on placement grooming, organised by IIMHRD(W), was designed to prepare students for successful job placements by focusing on essential grooming and professional presentation skills. Conducted by Dr.Akanksha Taunk, the session aimed to equip students with the tools and confidence needed for a successful job search and professional entry.

Key Focus Areas:

1. Professional Appearance:

- **Purpose:** To highlight the importance of a professional appearance in job placements and interviews.
- **Activities:** Discussions and demonstrations on appropriate attire for interviews, including the importance of a well-groomed appearance. Advice was provided on creating a professional wardrobe that aligns with industry standards.
- **Outcome:** Students learned how to choose suitable outfits and maintain a polished appearance, enhancing their overall professional image.

DIRECTOR
IIMHRD (W)
PUNE

2. Resume and Cover Letter Preparation:

- **Purpose:** To assist students in crafting effective resumes and cover letters that stand out to potential employers.
- **Activities:** Review of key components of a strong resume and cover letter, including formatting, content, and tailoring to job descriptions. Students received personalized feedback on their drafts.
- **Outcome:** Improved quality of resumes and cover letters, with students understanding how to present their skills and experiences effectively.

3. Interview Skills:

- **Purpose:** To prepare students for successful job interviews through effective communication and presentation techniques.
- **Activities:** Mock interviews and role-playing exercises to practice responses to common interview questions, as well as tips on body language, eye contact, and effective communication.
- **Outcome:** Increased confidence and improved interview skills, with students better prepared to handle various interview scenarios.

4. Professional Etiquette:

- **Purpose:** To educate students on professional behaviours and etiquette expected in the workplace.
- **Activities:** Discussion on workplace conduct, including email etiquette, meeting behaviours, and networking manners. Real-life scenarios were used to illustrate key points.
- **Outcome:** Students gained a clearer understanding of professional expectations and how to navigate workplace interactions appropriately.

DIRECTOR
IIMHRD (W)
PUNE

Benefits to Students:

- **Enhanced Professional Image:** Students learned how to present themselves effectively, from appearance to communication, significantly improving their chances of successful job placements.
- **Improved Job Application Materials:** Personalized feedback helped students refine their resumes and cover letters, making them more competitive in the job market.
- **Increased Confidence:** The practical exercises and advice provided helped boost students' confidence in their job search and interview performance.
- **Better Prepared for Professional Environments:** Students gained insights into professional etiquette and behaviours, preparing them for a smooth transition into the workforce.

Feedback:

The session was well-received, with students expressing appreciation for the practical advice and interactive nature of the workshop. Many felt better equipped to handle job placement challenges and engage confidently with potential employers.

Next Steps:

Students were encouraged to apply the techniques and advice from the session as they prepare for job placements. Follow-up workshops or individual coaching may be available for further support and personalized guidance.

Topic- ‘Career Counselling Session on Placement Grooming.’

The session on placement grooming, organised by IIMHRD(W), was designed to prepare students for successful job placements by focusing on essential grooming and professional presentation skills. Led by Dr.Girish Naik, this session provided participants with practical tools and insights to enhance their employability and confidence in professional settings.

Key Focus Areas:

1. Professional Appearance:

- **Purpose:** To emphasize the importance of a polished and professional appearance during job placements and interviews.
- **Topics Covered:** Guidance on appropriate attire for interviews, including the importance of grooming, dress codes, and creating a professional wardrobe.
- **Benefits:** Students learned how to present themselves effectively through their appearance, making a positive first impression on potential employers.

DIRECTOR
IIMHRD (W)
PUNE

2. Resume and Cover Letter Writing:

- **Purpose:** To assist students in crafting impactful resumes and cover letters that stand out to employers.
- **Topics Covered:** Key elements of an effective resume and cover letter, including formatting, content, and tailoring to specific job roles. Personalized feedback on participants' drafts was provided.
- **Benefits:** Improved quality of resumes and cover letters, increasing the chances of getting noticed in the competitive job market.

3. Interview Preparation:

- **Purpose:** To prepare students for successful job interviews through effective communication and presentation skills.
- **Topics Covered:** Techniques for answering common interview questions, handling different interview formats, and presenting oneself confidently. Mock interviews were conducted for hands-on practice.
- **Benefits:** Increased confidence and enhanced interview skills, with practical experience and feedback to refine responses and presentation.

4. Professional Etiquette:

- **Purpose:** To educate students on the professional behaviors and etiquette expected in workplace settings.
- **Topics Covered:** Workplace conduct, including email etiquette, meeting behaviours, and networking manners. Real-life scenarios were discussed to illustrate appropriate etiquette.
- **Benefits:** Students gained an understanding of professional expectations and how to navigate workplace interactions effectively.

DIRECTOR
IIMHRD (W)
PUNE

5. Networking Strategies:

- **Purpose:** To help students build and leverage professional networks.
- **Topics Covered:** Effective networking techniques, including crafting an elevator pitch, building professional relationships, and using networking events to your advantage.
- **Benefits:** Enhanced ability to create and maintain valuable professional connections, which can aid in job placements and career development.

Benefits to Participants:

- **Enhanced Professional Image:** Students learned how to present themselves effectively, both in appearance and communication, significantly improving their readiness for job placements.
- **Improved Application Materials:** Practical advice on resume and cover letter writing led to stronger application materials, increasing their chances of securing job interviews.
- **Increased Confidence:** The preparation techniques and mock interviews helped students feel more confident and prepared for real-world job interviews.
- **Better Professional Conduct:** Understanding professional etiquette and networking strategies provided students with the skills needed to succeed in professional environments.

Feedback:

The session received positive feedback from participants, who found the practical advice and interactive components particularly valuable. Students appreciated the opportunity to receive personalized feedback and learn from experienced professionals.

Report on “Orientation Program for Competitive Exams.”

Speaker- Prof. Manish R. Mundada

Topic- Career Counselling Session- Interview Preparation.

The career counselling session on interview preparation, organised by IIMHRD(W), was designed to equip students with essential skills and strategies for excelling in job interviews. Conducted by Prof. Manish R. Mundada, the session aimed to provide practical insights and hands-on practice to boost student’s confidence and effectiveness during interviews.

Key Focus Areas:

1. Understanding Interview Formats:

- **Purpose:** To familiarize students with different types of interviews and what to expect.
- **Activities:** Overview of common interview formats, including one-on-one, panel, behavioural, and technical interviews. Discussion on the purpose and structure of each format.
- **Outcome:** Students gained clarity on various interview formats and how to prepare for each type.

DIRECTOR
IIMHRD (W)
PUNE

2. **Crafting Effective Responses:**

- **Purpose:** To help students develop strong answers to common interview questions.
- **Activities:** Techniques for answering behavioural and situational questions using the STAR (Situation, Task, Action, Result) method. Practice sessions with feedback on responses.
- **Outcome:** Improved ability to articulate experiences and skills clearly and effectively during interviews.

3. **Mock Interviews:**

- **Purpose:** To provide students with practical experience and feedback.
- **Activities:** Conducted mock interviews with real-time feedback on performance, including body language, answer clarity, and overall presentation.
- **Outcome:** Enhanced interview skills and increased confidence, with personalized feedback to address specific areas of improvement.

4. **Body Language and Presentation:**

- **Purpose:** To emphasize the importance of non-verbal communication in interviews.
- **Activities:** Tips and exercises on maintaining positive body language, making a strong first impression, and effective use of eye contact and gestures.
- **Outcome:** Students learned how to project confidence and professionalism through body language and presentation.

5. **Research and Preparation:**

- **Purpose:** To stress the importance of researching the company and role before the interview.
- **Activities:** Guidelines for researching the company, understanding the job description, and preparing insightful questions to ask the interviewer.
- **Outcome:** Better-prepared students who can demonstrate a strong understanding of the company and role during interviews.

DIRECTOR
IIMBSD (W)
PUNE

Benefits to Students:

- **Enhanced Interview Skills:** Students developed effective strategies for answering common and challenging interview questions.
- **Increased Confidence:** The mock interviews and feedback helped students feel more prepared and self-assured.
- **Improved Presentation:** Students learned techniques to improve their body language and overall presentation during interviews.
- **Better Preparation:** Emphasis on research and preparation equipped students with the knowledge to impress interviewers and demonstrate their fit for the role.

Feedback:

The session was positively received, with students appreciating the interactive format and practical advice. Many found the mock interviews particularly useful for identifying areas for improvement and building confidence.

Next Steps:

Students are encouraged to apply the techniques learned in the session as they prepare for upcoming interviews. Additional resources and follow-up sessions may be offered for further support and refinement of interview skills.

Report on “Career Counselling Session”

Speaker- Prof.Neha Agrawal

Topic- ‘Career Counselling Session’

International Institute of Management & Human Resource Development (IIMHRD) conducted a Career Counselling session for students. The effort was made for MBA 1st year students to make them aware about various opportunities and trends in the field of competitive exam. Total 130 students participated in this session. The orientation program for competitive exams is designed to equip students with the necessary skills, strategies, and information to excel in various high-stakes exams. This report outlines the objectives, content, and effectiveness of the program, providing a comprehensive overview of how it supports students in their exam preparation journey.

The program was carried out for effective 2 hours duration. The Resource person for the session was Prof. Neha Agrwal. She gave an elaborative introduction about the various opportunities and scope in the field of competitive exam. He suggested varied ways and ideas on how to opt the career in abroad.

DIRECTOR
IIMHRD (W)
PUNE

Career guidance plays a very important role in the lives of all individuals especially in youngsters, as it helps in setting future goals and choosing careers. Career guidance is much-needed service to those who did not plan for their future at an early stage; more should be done to assist the younger generations in personal career development. When college students have a clear grasp of their greatest job options, they may plan better, proceed faster to higher education, and contribute to a more productive society in the future. The career counselling and guidance for competitive examinations offered by the institute has helped students set realistic expectations by helping them map their interest with the right career path to some extent, as a greater number of students now opting for higher education. Also, these guidance sessions have helped youngsters to acquire the knowledge, skills, and information necessary to identify the right options and explore various career options.

DIRECTOR
IIMHRD (W)
PUNE

All the students were highly motivated and enlightened about various opportunities after completing their Course. It was a very informative day for the students and faculty members who attended the session.

Report on “Image Building session”

Speaker-Dr. Shradhdha Kulkarni

Topic- Image Building Session

The image-building session organised by IIMHRD(W) was designed to enhance students personal and professional image, a crucial component for their future career success. The session was led by Dr. Shradhdha Kulkarni , an experienced image consultant, and aimed to provide students with practical tools and insights for improving their overall presentation and professional image.

Key Focus Areas:

5. Personal Appearance:

- **Purpose:** To help students understand the importance of a professional appearance in making a positive first impression.
- **Activities:** The facilitator provided advice on wardrobe choices, grooming, and the impact of personal style on professional image.
- **Outcome:** Students learned how to select versatile and appropriate attire for different professional settings.

DIRECTOR
IIMHRD (W)
PUNE

6. Communication Skills:

- **Purpose:** To develop effective verbal and non-verbal communication skills.
- **Activities:** Interactive exercises focused on clarity, confidence, and articulation. Techniques for public speaking and effective messaging were discussed.
- **Outcome:** Students gained confidence in their communication abilities and practical strategies for improving their presentation skills.

7. Body Language and Demeanor:

- **Purpose:** To enhance students' non-verbal communication and overall presence.
- **Activities:** Participants engaged in role-playing and body language exercises to practice assertiveness and engagement.
- **Outcome:** Students learned how to project confidence through body language and maintain a positive and professional demeanor.

8. Networking and Social Skills:

- **Purpose:** To equip students with effective networking strategies and social skills for professional settings.
- **Activities:** The session included tips on initiating and maintaining professional relationships, creating an impactful elevator pitch, and strategies for successful networking.
- **Outcome:** Students developed skills to build and nurture professional networks, which are essential for career advancement.

DIRECTOR
IIMHRD (W)
PUNE

Benefits to Students:

- **Enhanced Professional Image:** Students gained a clearer understanding of how their appearance and behaviour impact their professional image.
- **Improved Communication Skills:** The session provided tools and techniques for more effective verbal and non-verbal communication.
- **Greater Confidence:** Participants left with increased confidence in their ability to present themselves professionally and engage in networking opportunities.

Feedback:

The session received positive feedback from students, who appreciated the practical advice and interactive approach. Many reported feeling better prepared to enter the professional world with enhanced image-building skills.

Next Steps:

Students were encouraged to apply the strategies learned in the session and continue developing their personal and professional image. Follow-up workshops or individual consultations may be offered to further support students in their career preparation.
